

SUBSCRIBER AGREEMENT
IMPORTANT INFORMATION ABOUT YOUR ADVANCED CABLE SERVICES

The account holder(s) referred to on the accompanying Advanced Cable Communications Work Order or statement ("I," "me" or "my") agrees that the Work Order, this Agreement, the Terms of Use referred to below, and any applicable Tariff(s) on file with the state utility commission or comparable state agency in the jurisdiction in which I live, set forth the terms and conditions that govern my receipt of Services from Advanced Cable Communications (ACC), which may include, among others, video, high-speed data and voice Services. The term "Services" and all other capitalized terms used in this Agreement are defined in Section 17.

In consideration of ACC's provision of the Services that I have requested, subject to applicable law, I AGREE AS FOLLOWS:

1. Important Information About This Agreement

(a) This Agreement, the Work Order, the Terms of Use and any effective and applicable Tariff(s), each of which ACC may amend as set forth below, constitute the entire agreement between ACC and me. This Agreement supersedes all previous written or oral agreements between ACC and me. I am not entitled to rely on any oral or written statements by ACC's representatives relating to the subjects covered by these documents, whether made prior to the date of my Work Order or thereafter, and ACC will have no liability to me except in respect of its obligations as described in this Agreement and the other documents referred to above. The use of my Services by any person other than me is also subject to the terms of this Agreement, the Terms of Use, and any applicable Tariff(s).

(b) ACC has the right to add to, modify, or delete any term of this Agreement, the Terms of Use, the Subscriber Privacy Notice or any applicable Tariff(s) at any time. An online version of this Agreement, the Terms of Use, the Subscriber Privacy Notice and any applicable Tariff(s), as so changed from time to time, will be accessible at <http://www.advancedcable.net> or another online location designated by ACC, or can be obtained by calling my local ACC office.

(c) ACC will notify me of any significant change(s) in this Agreement, the Terms of Use, the Subscriber Privacy Notice or any applicable Tariff(s). Any such changes shall become effective immediately except where applicable law requires a notice period, in which case the change will become effective at the end of the requisite notice period. Upon effectiveness of any change to any of these documents, my continued use of the Services will constitute my consent to such change and my agreement to be bound by the terms of the document as so changed. If I do not agree to any such change, I will immediately stop using the Services and notify ACC that I am terminating my Services account.

(d) My acceptance of Services constitutes my acceptance of the terms and conditions contained in this Agreement. In the event that a portion of my Services is terminated, or any aspect of it is changed, any remaining service or replacement service will continue to be governed by this Agreement.

2. Payment; Charges

(a) I agree to pay ACC for (i) all use of my Services, (ii) installation and applicable service charges, (iii) ACC Equipment, and (iv) all applicable local, state and federal fees and taxes. Charges for the Services are set forth on a separate price list that I have received. I will be billed monthly in advance for recurring monthly charges. Other charges will be billed in the next practicable monthly billing cycle following use, or as otherwise specified in the price list. ACC may change both the fees and the types of charges (e.g., periodic, time-based, use-based) for my Services. If I participate in a promotional offer that requires a minimum time commitment and I terminate early, I agree that I am responsible for early termination fees associated with such promotion. ACC may from time to time offer discounts and promotions on installation, products and services offered. Terms, qualifications and restrictions will be designated at time of offer.

(b) Charges for installation Services and related equipment available from ACC for a standard Services installation are as described in ACC's list of charges and any applicable Tariff(s). Non-standard installations, if available, may result in additional charges as described in ACC's list of charges. In addition, I agree to pay charges for repair service calls resulting from my misuse of ACC

Equipment or for failures in equipment not supplied by ACC.

(c) If my Services account is past due and ACC sends a collector to my premises, a field collection fee may be charged. The current field collection fee is on the price list or can be provided on request. I will also be responsible for all other expenses (including reasonable attorneys' fees and costs) incurred by ACC in collecting any amounts due under this Agreement and not paid by me.

(d) All charges are payable on the due date specified, or as otherwise indicated, on my bill. I agree that late charges may be assessed, subject to applicable law, on amounts that are past due. My failure to deliver payment by the due date is a breach of this Agreement. The current late fees are on the price list or can be provided upon request and, if applicable, will not exceed the maximum late fees as set forth by applicable law. ACC reserves the right to change the late fees.

(e) I agree that if my Services account with ACC is past due, ACC may terminate any of my Services or accounts, including Advanced Phone Service, in accordance with applicable law. If I have a credit due to me or a deposit is being held on any account with ACC, I agree that the credit or deposit may be used to offset amounts past due on any other account I may have with ACC without notice to me. To reconnect any terminated Services, I may be required, in addition to payment of all outstanding balances on all accounts with ACC, to pay reconnect charges or trip charges (where applicable) and/or security deposits before reconnection.

(f) ACC may verify my credit standing with credit reporting agencies and require a deposit based on my credit standing or other applicable criteria. ACC may require a security deposit, or a bank or credit card or account debit authorization from me as a condition of providing or continuing to provide Services. If ACC requires a security deposit, the obligations of ACC regarding such security deposit will be governed by the terms of the deposit receipt provided by ACC to me at the time the deposit is collected. I agree that ACC may deduct amounts from my security deposit, bill any bank or credit card submitted by me, or utilize any other means of payment available to ACC, for any past due amounts payable by me to ACC, including in respect of damaged or unreturned Equipment.

(g) If I have elected to be billed by credit card, debit card or automatic Electronic Funds Transfer (EFT), I agree that I will automatically be billed each month for any amounts due under this Agreement. If I make payment by check, I authorize ACC and its agents to collect this item electronically.

(h) ACC may charge fees for all returned checks and account debit, bank card or charge card chargebacks. The current return/chargeback fees are listed in the list of charges on the price list or can be provided on request. ACC reserves the right to change return/chargeback fees.

(i) All use of my Services, whether or not authorized by me, will be deemed my use and I will be responsible in all respects for all such use, including for payment of all charges attributable to my account (e.g., for VOD movies, merchandise ordered via Internet, international long distance charges, etc.). ACC is entitled to assume that any communications made through my Services or from the location at which I receive the Services are my communications or have been authorized by me. My Services may contain or make available information, content, merchandise, products and Services provided by third parties and for which there may be charges payable to third parties. I agree that all such charges incurred by me or attributed to my account will be my sole and exclusive responsibility and agree to pay the same when due, and shall indemnify and hold harmless the ACC Parties for all liability for such charges. I agree that ACC is not responsible or liable for the quality of any content, merchandise, products or Services (or the price thereof) made available to me via the Services, for the representations or warranties made by the seller or manufacturer of any such item, or for damage to or injury, if any, resulting from the use of such item.

(j) I acknowledge that currently, and from time to time, there is uncertainty about the regulatory classification of some of the Services ACC provides and, consequently, uncertainty about what fees, taxes and surcharges are due from ACC and/or its customers. Accordingly, I agree that ACC has the right to determine, in its sole discretion, what fees, taxes and surcharges are due and to collect and remit them to the relevant governmental authorities, and/or to pay and pass them through to me. I further agree to waive any claims I may have regarding ACC's collection or remittance of such fees, taxes and surcharges. I further understand that I may obtain from my local ACC customer service office a list of the fees, taxes and surcharges that ACC office currently collects or passes through.

(k) I agree that it is my responsibility to report ACC billing errors within 30 days from receipt of the bill so that service levels and all payments can be verified. If not reported within 30 days, the errors are waived.

3. Installation; Equipment and Cabling

(a) If I am not the owner of the house, apartment or other premises upon which ACC Equipment and Software are to be installed, I warrant that I have obtained the consent of the owner of the premises for ACC personnel and/or its agents to enter the premises for the purposes described in Section 3(d). I agree to indemnify and hold the ACC Parties harmless from and against any claims of the owner of the premises arising out of the performance of this Agreement (including costs and reasonable attorneys' fees).

(b) I authorize ACC to make any preparations to the premises necessary for the installation, maintenance, or removal of equipment. ACC shall not be liable for any effects of normal Services installation and workmanship, such as holes in walls, etc., which may remain after installation or removal of the ACC Equipment, except for damage caused by negligence on the part of ACC.

(c) The ACC Equipment is and at all times shall remain the sole and exclusive personal property of ACC, and I agree that I do not become an owner of any ACC Equipment by virtue of the payments provided for in this Agreement or the Tariff(s) or the attachment of any portion of the ACC Equipment to my residence or otherwise. Upon termination of any Services, subject to any applicable laws or regulations, ACC may, but shall not be obligated to, retrieve any associated ACC Equipment not returned by me as required under Section 3(f) below. ACC will not be deemed to have "abandoned" the ACC Equipment if it does not retrieve such equipment.

(d) I agree to provide ACC and its authorized agents access to my premises during regular business hours upon reasonable notice during the term of this Agreement and after its termination to install, connect, inspect, maintain, repair, replace, alter or disconnect or remove the ACC Equipment, to install Software, to conduct service theft audits, or to check for signal leakage. I agree that ACC may have reasonable access to easements and ACC Equipment located on my grounds.

(e) ACC shall have the right to upgrade, modify and enhance ACC Equipment and Software from time to time through "downloads" from ACC's network or otherwise. Without limiting the foregoing, ACC may, at any time, employ such means to limit or increase the throughput available through individual cable modems whether or not provided by ACC.

(f) If the Services are terminated, I agree that I have no right to possess or use the ACC Equipment related to the terminated Services. As required under Section 10(b), I agree that I must arrange for the return of ACC Equipment to ACC, in the same condition as when received (excepting ordinary wear and tear), upon termination of the Services. If I do not promptly return the ACC Equipment or schedule with ACC for its disconnection and removal, ACC may enter any premises where the ACC Equipment may be located for the purpose of disconnecting and retrieving the ACC Equipment. I will pay any expense incurred by ACC in any retrieval of the unreturned ACC Equipment. ACC may charge me a continuing monthly fee until any outstanding ACC Equipment is returned, collected by ACC or fully paid for by me in accordance with Section 3(g). The current fee is listed in the list of charges on the price list or can be provided on request.

(g) I agree to pay ACC liquidated damages in the amount demanded by ACC, but not to exceed that specified in the then-current price list, for the replacement cost of the ACC Equipment without any deduction for depreciation, wear and tear or physical condition of such ACC Equipment if (i) I tamper with, or permit others to tamper with, ACC Equipment, (ii) the ACC Equipment is destroyed, lost, or stolen, whether or not due to circumstances beyond my reasonable control, and even if I exercised due care to prevent such destruction, loss, or theft, or (iii) the ACC Equipment is damaged (excluding equipment malfunction through no fault of my own) while in my possession, whether or not due to circumstances beyond my reasonable control, and even if I exercised due care to prevent such damage. I agree that these liquidated damages are reasonable in light of the problem of theft of cable Services; the existence of a "black market" in ACC Equipment; the ability of third parties to steal Services with unlawfully obtained ACC Equipment, causing loss of revenues for installation and service fees; and the difficulty in determining the actual damages that arise from the unauthorized tampering with, loss, destruction, or theft of ACC Equipment. I agree to return any damaged ACC Equipment to ACC.

(h) I agree that ACC may place equipment and cables on my premises to facilitate the provision of Services to me and to other locations in my area. The license granted under this Section 3(h) will survive the termination of this Agreement until the date that is one year from the date on which I first notify ACC in writing that I am revoking such license.

4. Use of Services; ACC Equipment and Software

(a) I agree that ACC has the right to add to, modify, or delete any aspect, feature or requirement of the Services (including content, price, equipment and system requirements). If ACC changes its equipment requirements with respect to any Services, I acknowledge that I may not be able to receive such Services utilizing my then-current equipment. Upon any such change, my continued use of Services will constitute my consent to such change and my agreement to continue to receive the relevant Services, as so changed, pursuant to this Agreement, the Terms of Use and the Tariff(s). If I participate in a promotional offer for any Service(s) that covers a specified period of time, I agree that I am assured only that I will be charged the promotional price for such Service(s) during the time specified. I agree that ACC shall have the right to add to, modify, or delete any aspect, feature or requirement of the relevant Service(s), other than the price I am charged, during such promotional period.

(b) I agree that the Services I have requested are for reasonable personal, non-commercial use only. I will not resell or redistribute (whether for a fee or otherwise) the Services, or any portion thereof, or charge others to use the Services, or any portion thereof. Among other things:

(i) If I receive Video Service, I agree not to use the Services for the redistribution or retransmission of programming or for any enterprise purpose whether or not the enterprise is directed toward making a profit. I agree that, among other things, my use of the Services to transmit or distribute the Video Service, or any portion thereof, to (or to provide or permit access by) persons outside the location identified in the Work Order (even if to a limited group of people or to other residences that I own or have the right to use), will constitute an enterprise purpose. I acknowledge that programs and other materials that I receive as part of the Video Service remain part of the Video Service even if I record or capture all or a portion of any such program or material in a data file or on a hard drive, DVR or similar device.

(ii) If I receive Advanced Phone Service, I agree not to use the Services for telemarketing, call center, medical transcription or facsimile broadcasting Services or for any enterprise purpose whether or not the enterprise is directed toward making a profit. I agree that, among other things, my use of the Services to make available my Advanced Phone Service, or any portion thereof, to (or to provide or permit access by) persons outside the location identified in the Work Order (even if to a limited group of people or to other residences that I own or have the right to use), will constitute an enterprise purpose.

(iii) If I receive HSD Service, I agree not to use the HSD Service for operation as an Internet service provider, for the hosting of websites (other than as expressly permitted as part of the HSD Service) or for any enterprise purpose whether or not the enterprise is directed toward making a profit. I agree that, among other things, my use of any form of transmitter or wide area network that enables persons or entities outside the location identified in the Work Order to use my Services, whether or not a fee is sought, will constitute an enterprise purpose. Furthermore, if I use a wireless network within my residence, I will limit wireless access to the HSD Service (by establishing and using a secure password or similar means) to the members of my household.

(c) Theft or willful damage, alteration, or destruction of ACC Equipment, or unauthorized reception, theft or diversion of Services, or assisting such theft, diversion, or unauthorized reception is a breach of this Agreement and potentially punishable under law (including by way of statutory damages, fine and/or imprisonment). Nothing in this Agreement, including, Section 3(g) above, shall prevent ACC from enforcing any rights it has with respect to theft or unauthorized tampering of Services or ACC Equipment under applicable law.

(d) I will not, nor will I allow others to, open, alter, misuse, tamper with or remove the ACC Equipment as and where installed by ACC or use it contrary to this Agreement, the Terms of Use, or the Tariff(s). I will not, nor will I allow others to, remove any markings or labels from the ACC Equipment indicating ACC ownership or serial or identity numbers. I will safeguard the ACC Equipment from loss or damage of any kind, including accidents, breakage or house fire, and will not permit anyone other than an authorized representative of ACC to perform any work on the ACC Equipment.

(e) I agree that to the extent any Software is licensed (or sublicensed) to me by ACC, such Software is provided for the limited purpose of facilitating my use of the Services as described in this Agreement. I will not engage in, or permit, any additional copying, or any translation, reverse engineering or reverse compiling, disassembly or modification of or preparation of any derivative works based on the Software, all of which are prohibited. I will return or destroy all Software provided by ACC and any related written materials promptly upon termination of the associated Services to me for any reason.

(f) I agree that I will use the Services for lawful purposes only, and in accordance with this Agreement,

the Terms of Use and the Tariff(s).

(g) I agree to be responsible for protecting the confidentiality of my screen names, passwords, personal identification numbers (PINs), parental control passwords or codes, and any other security measures made available, recommended or required by Advanced Cable. I also acknowledge that ACC's Services may from time to time include interactive features, the use of which may result in the transmission to, and use by, ACC or certain third parties of information that may constitute personally identifiable information (as such term is used in the Federal Communications Act of 1934) about me and for which ACC may be required, under the Federal Communications Act of 1934, to obtain my consent. I agree that ACC may seek such consents (or indications of my election to "opt in" to certain ACC programs) electronically, including through the use of a "click through" screen, and that ACC is entitled to assume that any such consent or opt-in election communicated through my Services or from the location at which I receive the Services is my consent or opt-in election or has been authorized by me.

(h) I agree that ACC has no liability for the completeness, accuracy or truth of the programs or information it transmits.

5. Equipment Compatibility Notification

Converter Boxes

One of the reasons you subscribed to Advanced Cable Communications is that we offer many more channels of programming than you are able to receive off-the-air. Some of you may have TV receivers and VCR's that can tune to all channels we provide. Others have older sets that do not tune to all the cable channels. In this case, Advanced Cable can rent you a set-top converter, or you may choose to buy a converter at a retail outlet.

According to government rules of October 31, 1994, TV's and VCR's sold in the U.S. cannot be called "cable ready" unless they comply with the requirement to properly tune cable channels. Some TV's and VCR's advertised as cable ready before this time are 'not' cable ready by the 1994 standards. In addition, some TV's and VCR's cannot tune all cable channels without some interference. If this is the case with your equipment, call us because you may also need to use a converter.

We offer converters with varying degrees of functions to help you enjoy the latest in technology. For instance, taping one program while watching another, recording two or more consecutive programs that appear on different channels and the use of picture-in-picture may not be possible without one of our converters.

Should you wish to use some of these features notes above, Advanced Cable Communications will provide you with supplemental equipment. Please contact us regarding your wishes and we will be happy to give you a schedule of charges for such equipment. In addition, you may purchase by-pass switches and additional converters at retail outlets. Please remember, however, that converters with descrambling capability can only be legally obtained from Advanced Cable Communications.

Remote Controls

The converters used by Advanced Cable Communications can be operated by hand-held remote control devices. It is possible that the remote control that may have come with your TV or VCR or one purchased at retail may be capable of controlling our converter box as well. In that case, feel free to use it.

6. Special Provisions Regarding Advanced Phone Service

(a) I acknowledge that the voice-enabled cable modem (aka – MTA) used to provide the Advanced Phone Service is electrically powered and that the Advanced Phone Service, including the ability to access 911 Services and home security and medical monitoring Services, may not operate in the event of an electrical power outage or if my broadband cable connection is disrupted or not operating. I acknowledge that, in the event of a power outage in my home, any battery included in my voice-enabled cable modem may enable back-up service for a limited period of time or not at all, depending on the circumstances, and that inclusion of the battery does not ensure that Advanced Phone Service will be available in all circumstances. I also acknowledge that, in the event of a loss of power that disrupts my local ACC cable system, the battery in my voice-enabled cable modem will not provide back-up service and the Advanced Phone Service will not be available.

(b) I agree that ACC will not be responsible for any losses or damages arising as a result of the

unavailability of the Advanced Phone Service, including the inability to reach 911 or other emergency Services, or the inability to contact my home security system or remote medical monitoring service provider. I acknowledge that ACC does not guarantee that the Advanced Phone Service will operate with my home security and/or medical monitoring systems, and that I must contact my home security or medical monitoring provider in order to test my system's operation with the Advanced Phone Service. I agree that I am responsible for the cost of any such testing or any fees for configuring my home security or medical monitoring system to work with the Advanced Phone Service.

(c) The location and address associated with my Advanced Phone Service will be the address identified on the Work Order. I acknowledge that, under Section 4(d) of this Agreement, I am not permitted to move ACC Equipment from the location and address in which it has been installed. Furthermore, if I move my voice-enabled cable modem to an address different than that identified on the Work Order, calls from such modem to 911 will appear to 911 emergency service operators to be coming from the address identified on the Work Order and not the new address.

(d) I acknowledge that the existing telephone wiring inside my home may not support both Advanced Phone Service and digital subscriber line (DSL) service. Therefore, if I intend to use Advanced Phone Service on all of my phone jacks, I may be required to maintain separate wiring, not provided by ACC, within my home specifically for DSL service or to disconnect my DSL service prior to receiving the Advanced Phone Service over my existing in-home wiring.

(e) I agree to provide ACC and its authorized agents with access to my telephone inside wiring at the Network Interface Device or at some other minimum point of entry in order to provide the Advanced Phone Service over my existing in-home wiring.

(f) I acknowledge that the Advanced Phone Service may not be compatible with certain data transmission Services, including but not limited to fax transmissions and dial-up Internet access and that I may be required to maintain a separate telephone line, not provided by ACC, in order to access such Services.

7. Special Provisions Regarding HSD Service

(a) Definitions of Terms Used in this Section

(i) "Downstream" means data transferred to your computer from ACC facilities.

(ii) "Maximum Throughput Rate" means the highest Throughput Rate possible provided by the HSD service. Maximum Throughput Rates will vary depending upon what level of HSD service is purchased. Maximum Throughput Rate may be achieved in bursts, but generally will not be sustained on a consistent basis due to the nature of the Internet, TCP/IP and ACC facilities.

(iii) "Network Management Tools" means tools and techniques as ACC determines appropriate in order to efficiently manage its network and to ensure a quality user experience for its subscribers and ensure compliance with the Acceptable Use Policy.

(iv) "Throughput Rate" means the amount of data that can be transferred between your location and the ACC facilities serving your location over a given amount of time. Throughput Rates described in all ACC materials, including marketing materials, price lists and Terms of Use refer to Maximum Throughput Rates. Actual Throughput Rates will vary based on numerous factors, such as the condition of wiring at your location, computer configurations, Internet and ACC network congestion, the time of day at which the HSD Service is used, and the website servers you access, among other factors. Additionally Throughput Rate may be affected by Network Management Tools.

(v) "Upstream" means data transferred from your computer to ACC facilities.

(b) Description of HSD Service. I acknowledge that each tier or level of the HSD Service has limits on the Maximum Throughput Rate at which I may send and receive data at any time, as set forth in the price list or Terms of Use. I understand that the actual Throughput Rate I may experience at any time will vary based on numerous factors, such as the condition of wiring at your location, computer configurations, Internet and ACC network congestion, the time of day at which the HSD Service is used, and the website servers you access, among other factors. Additionally Throughput Rate may be affected by Network Management Tools, the prioritization of ACC commercial subscriber traffic and network control information and necessary bandwidth overhead used for protocol and network information. I agree that ACC or ISP may change the Maximum Throughput Rate of any tier by amending the price list or Terms of Use. My continued use of the HSD Service following such a change will constitute my acceptance of any new Throughput Rate. I also agree that ACC may use technical means, including but not limited to suspending or reducing the Throughput Rate of my HSD Service, to ensure compliance with its Terms of Use and to ensure that its service operates efficiently. I further agree that ACC has the right to monitor my usage patterns to facilitate the provision of the

HSD Service and to ensure my compliance with the Terms of Use and to efficiently manage its network and the provision of services. ACC may take such steps as it determines appropriate in the event my usage of the HSD Service does not comply with the Terms of Use. I understand that Maximum Throughput Rate and uninterrupted use of HSD service is not guaranteed. I further acknowledge that HSD Service does not include other services managed by ACC and delivered over ACC's shared infrastructure, including Video Service and Advanced Phone Service.

ACC DOES NOT WARRANT OR REPRESENT THAT HSD SERVICE OR EQUIPMENT PROVIDED BY ACC WILL PERFORM AT A PARTICULAR SPEED, BANDWIDTH OR THROUGHPUT RATE, OR WILL BE UNINTERRUPTED, ERROR-FREE, SECURE, OR FREE OF VIRUSES, WORMS, DISABLING CODE OR CONDITIONS, OR THE LIKE.

I may rent a cable modem from ACC or may purchase a DOCSIS-compliant, ACC-approved cable modem from a third party provider. ACC reserves the right to provide service only to users with ACC-approved DOCSIS-compliant modems. Modems not ACC-approved may not function as intended and may not receive ACC advertised services. You are strongly urged to check with local ACC Customer Support for the most current ACC-approved cable modem list.

(c) Republication.

(i) I acknowledge that material posted or transmitted through the HSD Service may be copied, republished or distributed by third parties, and that the ACC Parties will not be responsible for any harm resulting from such actions.

(ii) I grant to ACC, and I represent, warrant and covenant that I have all necessary rights to so grant, the non-exclusive, worldwide, royalty-free, perpetual, irrevocable, right and license to use, reproduce, modify, adapt, publish, translate, distribute, perform and display in any media all material posted on the public areas of the HSD Service via my account and/or to incorporate the same in other works, but only for purposes consistent with operation and promotion of the HSD Service.

(iii) I agree that unsolicited email, or "spam," is a nuisance and that ACC is entitled to establish limits on the volume of email that I send. Such volume limits may be set by reference to a number of emails per day, week, month or year.

(d) Unfiltered Internet Access. I acknowledge that the ISP Service provides a connection to the Internet that may be unfiltered, and that the ACC Parties neither control nor assume responsibility for any content on the Internet or content that is posted by a subscriber. Although ACC may make available certain parental control features, I acknowledge that such parental control features may not be entirely effective or foolproof and that, notwithstanding such features, I or members of my household may be exposed to unfiltered content.

(e) Use HSD Service. I agree that ACC has the right, but not the obligation, to edit, refuse to post or transmit, request removal of, or remove or block any material transmitted through, submitted to or posted on the HSD Service, if it determines in its discretion that the material is unacceptable or violates the terms of this Agreement, any ACC consumption limits or any other Terms of Use. Such material might include personal home pages and links to other sites. In addition, I agree that, under such circumstances, ACC may suspend my account, take other action to prevent me from utilizing certain account privileges (e.g., home pages) or cancel my account without prior notification. I also agree that ACC may suspend or cancel my account for using all or part of the HSD Service to post content to the Internet or to engage in "peer to peer" file exchanges or other forms of file exchanges that violate this Agreement or the Terms of Use.

(f) Computer Requirements. I agree that each Computer will need to meet certain minimum hardware and software requirements that will be specified for the HSD Service, and that such requirements may be changed from time to time by ACC.

8. Support; Service and Repairs

(a) My Services include the right to request reasonable service and maintenance calls to check and correct problems with the Services. I understand that someone 18 years of age or older must be at home for installation or in-home technician visits for upgrade or service repair. ACC will, at its own expense, repair damage to or, at ACC's option, replace ACC Equipment, and otherwise attempt to correct interruptions of the Services, due to reasonable ACC Equipment wear and tear, or technical malfunction of the system or network operated by ACC. The Subscriber Materials contain details on contacting ACC for this support.

(b) I agree that I am responsible for all wiring, equipment and related software installed in my residence that is not ACC Equipment or ACC-licensed Software and ACC will have no obligation to

install, connect, support, maintain, repair or replace any Computer, television, telephone or telephone answering device, audiovisual recording or playback device (e.g., VCR, DVR, DVD), audio equipment, any software, or any cable modem, cabling or other equipment (other than ACC Equipment or ACC-licensed Software). ACC will not support, repair, replace, or maintain any Network Interface Card, regardless of whether provided and installed by ACC.

(c) I agree that ACC has no responsibility for the operation of any equipment, software or service other than the Services, the ACC Equipment and the ACC-licensed Software. For instance, I acknowledge that certain commercially available televisions, converter boxes and recording devices, which may be identified by their manufacturers as "cable ready" or "digital cable ready," may not be able to receive or utilize all available Services without the addition of a ACC converter box or other ACC Equipment for which a fee may be charged. If I receive HSD Service, ACC has no responsibility to support, maintain or repair any equipment, software or service that I elect to use in connection with the HSD Service.

(d) If ACC determines that non-ACC cabling or equipment connecting my residence to ACC Equipment installed on the side of or adjacent to my residence (i.e., at a ground block) is the cause of a service problem, I agree that ACC may charge me to resolve such service problem. I may subscribe to a ACC inside wire maintenance/protection plan that covers service related calls regarding the wiring within my residence. If any other support Services are available from ACC, such Services will be at additional charges as described in ACC's price list.

(e) ACC will be on time for your cable installation or service calls (i) if we miss a scheduled appointment for installation or service due to the fault of ACC for which a fee was to be charged, the installation or service call will be done free of charge (ii) if we miss a scheduled appointment due to the fault of ACC for which no fee was to be charged, customer is entitled to credit, pursuant to applicable regulations. Contact ACC for specific credit information.

9. Service Interruptions; Force Majeure

(a) I agree that ACC has no liability for delays in or interruption to my Services, except that if for reasons within ACC's reasonable control, (i) service on all cable video channels is interrupted or substantially impaired for three (3) hours or more during any twenty-four (24) hour period; or if the loss of service or impairment is for twenty-four (24) hours or longer, (ii) there is a complete failure of the HSD Service or (iii) there is a complete failure of the Advanced Phone Service, ACC will give me a prorated credit for the period of such interruption or failure if I request one within 30 days of the interruption or failure. Notwithstanding the above, ACC will issue credits for VOD, pay-per-view and pay-per-play events for service problems where a credit request is made within 30 days of the interruption or failure. ACC will not credit a customer for any loss of service or impairment caused by the customer's owned equipment. In no event shall ACC be required to credit me an amount in excess of applicable service fees. ACC will make any such credit on the next practicable bill for my Services. State and local law or regulation may impose other outage credit requirements with respect to some or all of my Services. In such event, the relevant law or regulation will control.

(b) I acknowledge that ACC may conduct maintenance from time to time that may result in interruptions of my Services.

(c) The ACC Parties shall have no liability, except as set forth in Section 8(a), for interruption of the Services due to circumstances beyond its reasonable control, including acts of God, flood, natural disaster, customer owned equipment, vandalism, terrorism, regulation or governmental acts, fire, civil disturbance, electrical power outage, computer viruses or worms, strike or weather.

10. Review and Enforcement

(a) ACC may suspend or terminate all or a portion of my Services without prior notification if ACC determines in its discretion that I have violated this Agreement, any of the Terms of Use or any Tariff(s), even if the violation was a one-time event. If all or a portion of my Services are suspended, I will not be charged for the relevant Services during the suspension. If my account is terminated, I will be refunded any pre-paid fees minus any amounts due ACC.

(b) If I receive HSD Service, I acknowledge that ACC has the right, but not the obligation, to review content on public areas of the HSD Service, including chat rooms, bulletin boards and forums, in order to determine compliance with this Agreement and the Terms of Use.

(c) I agree that ACC shall have the right to take any action that ACC deems appropriate to protect the Services, ACC's facilities or ACC Equipment.

11. Termination of Service

(a) Either ACC or I may terminate all or any portion of my Services at any time for any or no reason, in its sole discretion, in accordance with applicable law.

(b) If I am moving or wish to terminate all or any portion of my Services for any reason, I will notify ACC by phone or by mail as instructed in the Subscriber Materials in order to set up a disconnect appointment and provide ACC with access to my premises to disconnect the relevant Services and recover the ACC Equipment specified on the Work Order on a DATE PRIOR TO the last day of residency. This also applies if I am receiving a period of free or discounted Services. In other words, at the end of the free or discounted period, ACC is entitled to begin billing me for the usual charges associated with the relevant Services unless I take the appropriate steps to terminate the Services as described in this paragraph.

(c) I cannot terminate my Services by writing "Canceled" (or any other messages) on my bill or check, or by making a disconnect appointment that does not result in ACC's physical recovery of the ACC Equipment. In addition, I agree that any restrictive endorsements (such as "paid in full"), releases or other statements on or accompanying checks or other payments accepted by ACC shall have no legal effect.

12. Disclaimer of Warranty; Limitation of Liability

(a) I AGREE THAT THE SERVICES ARE PROVIDED BY ACC ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF TITLE OR NONINFRINGEMENT OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN THOSE WARRANTIES THAT ARE IMPLIED BY, AND INCAPABLE OF EXCLUSION, RESTRICTION OR MODIFICATION UNDER, THE LAWS APPLICABLE TO THIS AGREEMENT. IN PARTICULAR, I AGREE THAT MY USE OF THE HSD SERVICE (INCLUDING THE CONTENT, INFORMATION, SERVICES, EQUIPMENT AND SOFTWARE, THE PURCHASE OF MERCHANDISE AND SERVICES, THE TRANSMISSION OF INFORMATION AND OTHER COMMUNICATIONS BY AND TO ME AND THE DOWNLOADING OF COMPUTER FILES) IS AT MY SOLE RISK. I FURTHER AGREE THAT ACC IS NOT RESPONSIBLE FOR THE RECORDING OF OR FAILURE TO RECORD ANY PROGRAM OR PORTION THEREOF, OR FOR THE CONTENT OF ANY PROGRAM OR CONTENT ON MY DVR, WITHOUT LIMITING THE FOREGOING:

(ii) NONE OF THE ACC PARTIES MAKES ANY WARRANTIES AS TO THE SECURITY OF MY COMMUNICATIONS VIA ACC'S FACILITIES OR THE SERVICES (WHETHER SUCH COMMUNICATIONS ARE DIRECTED WITHIN THE SERVICES, OR OUTSIDE THE SERVICE TO OR THROUGH THE INTERNET), OR THAT THIRD PARTIES WILL NOT GAIN UNAUTHORIZED ACCESS TO OR MONITOR MY COMPUTERS(S) OR ONLINE (INCLUDING VOICE) COMMUNICATIONS. I AGREE THAT NONE OF THE ACC PARTIES WILL BE LIABLE FOR ANY SUCH UNAUTHORIZED ACCESS. I HAVE THE SOLE RESPONSIBILITY TO SECURE MY COMPUTER AND ONLINE (INCLUDING VOICE) COMMUNICATIONS.

(b) I ACKNOWLEDGE THAT ACC'S OR MY INSTALLATION, USE, INSPECTION, MAINTENANCE, REPAIR, REPLACEMENT OR REMOVAL OF THE SERVICES, ACC EQUIPMENT AND SOFTWARE MAY RESULT IN DAMAGE TO MY COMPUTER(S), TELEPHONES AND TELEPHONE ANSWERING DEVICES, TELEVISIONS, RECORDING AND PLAYBACK DEVICES, AUDIO EQUIPMENT, OR ANY CABLE MODEM, CABLING OR OTHER EQUIPMENT OR HARDWARE, INCLUDING SOFTWARE AND DATA FILES STORED THEREON. I SHALL BE SOLELY RESPONSIBLE FOR BACKING UP ALL EXISTING COMPUTER OR OTHER SOFTWARE OR DATA FILES PRIOR TO THE PERFORMANCE OF ANY OF THE FOREGOING ACTIVITIES. NONE OF THE ACC PARTIES, OR THEIR VENDORS, LICENSEES OR PROGRAMMERS, SHALL HAVE ANY LIABILITY, AND EACH EXPRESSLY DISCLAIMS ANY RESPONSIBILITY WHATSOEVER, FOR ANY DAMAGE TO OR LOSS OR DESTRUCTION OF ANY EQUIPMENT, SOFTWARE, HARDWARE, DATA OR FILES.

(c) EXCEPT FOR THE REFUND OR CREDIT AS EXPRESSLY PROVIDED IN SECTIONS 9(a) AND 8(a) RESPECTIVELY, IN NO EVENT (INCLUDING NEGLIGENCE) WILL ANY ACC PARTY OR ANY PERSON OR ENTITY INVOLVED IN CREATING, PRODUCING OR DISTRIBUTING THE SERVICES

(INCLUDING THE CONTENT INCLUDED THEREIN OR THE SERVICES ACCESSED THEREBY) OR EQUIPMENT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SERVICES, INCLUDING THE USE OF OR INABILITY TO USE EMERGENCY 911 SERVICES, OR FOR ANY ACTION TAKEN BY ACC TO PROTECT THE SERVICES OR THE BREACH BY ACC OF ANY WARRANTY.

(d) I AGREE THAT THE PROVISIONS OF THIS SECTION 11 SHALL APPLY TO ALL CONTENT OR SERVICES INCLUDED IN, OR ACCESSIBLE THROUGH, THE SERVICES, AND ARE FOR THE BENEFIT OF, AND MAY BE ENFORCED BY, ALL OF THE ACC PARTIES.

13. Privacy

(a) My privacy interests, including my ability to limit disclosure of certain information to third parties, are addressed by, among other laws, the Federal Communications Act of 1934, as amended, and the Electronic Communications Privacy Act. Personally identifiable information that may be collected, used or disclosed in accordance with applicable laws is described in the Subscriber Privacy Notice delivered to me by ACC. I acknowledge receipt of the Subscriber Privacy Notice, which is deemed to form a part of this Agreement, and expressly consent to the collection, use and disclosure of personally identifiable and other information as described in the Subscriber Privacy Notice, as it may be amended from time to time.

(b) I agree that, in addition to actions and disclosures specifically authorized by law or statute or authorized elsewhere in this Agreement, ACC shall have the right (except where prohibited by law notwithstanding my consent), but not the obligation, to disclose any information to protect their respective rights, property and/or operations, or where circumstances suggest that individual or public safety is in peril. I consent to such actions or disclosures.

(c) If I am an Advanced Phone customer, I consent to ACC's disclosure of my name, address and/or telephone number to the general public in connection with Caller ID functions, telephone directories, and 411 and 911 Services. I also consent to ACC's disclosure of personally identifiable information to the telephone companies serving those end users to whom I make calls so that the calls can be completed. If I wish to have ACC remove this information from one or more of these Services, I understand that I may notify ACC to do so, subject to any applicable fees.

Advanced Cable Communications considers the privacy of our subscribers to be very important and we keep the non-public personal information about our subscribers secure and confidential.

14. Advanced Cable Communications Privacy Notice

We at Advanced Cable Communications ("Advanced Cable," "we" or "us") are providing this Notice to inform you of our practices regarding personally identifiable information that may be collected in the course of providing services to you over our cable system, including video programming services, High Speed Data (HSD) and Advanced Phone services ("cable-based services"). This Notice is being provided in accordance with the Cable Communications Policy Act of 1984 (the "Cable Act").

This Notice pertains to personally identifiable information about you that you have furnished to Advanced Cable, or that Advanced Cable has collected, in connection with the provision of cable-based services to you. Personally identifiable information does not include aggregate data that does not identify you.

The Cable Act's subscriber privacy provisions apply to cable operators, as defined in the privacy provisions of the Cable Act ("Cable Operators"), providing cable and other services over their systems.

The following areas are covered by this Notice:

1. The nature of personally identifiable information collected about you and the way such information is used;
2. The nature, frequency, and purpose of any disclosure that may be made of such information;
3. Disclosure of information to governmental entities and through legal process;
4. The period of time such information will be maintained;
5. The times and place you may have access to the information collected; and

6. Your rights under the Cable Act.

1. Collection and Use of Personally Identifiable Information

In order that Advanced Cable can provide service to you and operate efficiently, we collect the following types of information about you that may constitute personally identifiable information: your name, home, email and work address, telephone numbers, social security number, and credit and credit card information. Depending on the services Advanced Cable provides to you, our records also may include information on billing, payment, damage and security deposits, maintenance and repairs, how many television sets you have connected to cable or that are cable ready, the location of these television sets in your home, the number and location of PCs in your home and your PC configuration, the service options you have chosen, and the number of converters, cable modems or other cable equipment installed in your home. We may remotely check your PC to the extent necessary to determine whether it is susceptible to unauthorized access or the dissemination of computer viruses. We may also keep records of research concerning subscriber satisfaction with our services, which are obtained from subscriber interviews and questionnaires. Additionally, Advanced Cable may have a record of whether you rent or own your home in the event that landlord permission is required prior to installing our cable facilities. We also maintain subscriber correspondence (via e-mail or otherwise) and, may sometimes obtain from third parties publicly available information about our subscribers.

The information described in the preceding paragraph is used for purposes such as the following: to make sure you are being billed properly for the services you receive; to send you pertinent information about Advanced Cable's services; to maintain or improve the quality of our services; to answer questions from subscribers (i.e., for troubleshooting); to ensure compliance with relevant law and contractual provisions; to market cable or other services or products that you may be interested in; and for tax and accounting purposes.

Advanced Cable's system, in delivering and routing the Services, may automatically log information concerning Internet addresses you contact, and the duration of your visits to such addresses. Advanced Cable does not use or disclose any personally identifiable information that may be derived from these logs for marketing, advertising or similar purposes. Advanced Cable, as described above, also has access to personally identifiable information about you, including the name and address associated with a given IP address or, possibly, one or more e-mail accounts. You have consented, in your Subscription Agreement, to the collection of personally identifiable information as described in this paragraph.

Under the Cable Act, a Cable Operator may also collect personally identifiable information over a cable system without subscribers' consent if it is necessary to provide services to subscribers, or to prevent unauthorized access to services or subscriber data.

2. Disclosure of Personally Identifiable Information

Personally identifiable information that Advanced Cable maintains related to its subscribers will be disclosed by Advanced Cable without the prior written or electronic consent of subscribers only if: (1) it is necessary to render, or conduct a legitimate business related to, the services that are provided to you; (2) such disclosure is required by law or legal process as described below; or (3) for mailing lists as described below.

The types of persons to whom information about you may be disclosed by Advanced Cable in the course of providing cable service to you include the employees of Advanced Cable and its related legal entities, agents, repair and installation subcontractors, sales representatives, accountants, billing and collection services and credit reporting agencies, consumer and market research firms, and authorized representatives of governmental bodies. Also upon reasonable request, personally identifiable information is disclosed to persons or entities with an equity interest in legal entities related to Advanced Cable when they have a legal right to inspect our books and records.

Information for billing purposes is generally provided by Advanced Cable on a monthly basis. Information for other purposes is provided by Advanced Cable as it is needed.

Unless you object, the Cable Act also permits Cable Operators to disclose personally identifiable information to others, such as advertisers and direct mail or telemarketers, for non-cable related purposes. Under the Cable Act, any disclosures for purposes other than as described in the first three paragraphs of this Section 2 and in Section 3 of this Notice is limited to the following "mailing list information": your name, address and the particular services to which you subscribe (e.g., HBO or other premium channels or tiers of service). In addition, Advanced Cable may add to its mailing list publicly available information about subscribers that is obtained from third parties. Mailing list information cannot include the extent of your viewing or use of a particular service, or the nature of any transaction you make over the cable system. Advanced Cable may disclose such mailing list

information from time to time. If you wish to have us remove you from our mailing list, please notify us in writing.

3. Disclosure of Information to Government Entities and Other Legal Process

Federal law requires Advanced Cable to disclose personally identifiable information to a governmental entity or other third party pursuant to a court order. If the court order is sought by a governmental entity, the Cable Act requires that you be afforded the opportunity to contest in court any claims made in support of the court order sought. At such a proceeding, the Cable Act requires the governmental entity to offer clear and convincing evidence that the subject of the information is reasonably suspected of engaging in criminal activity and that the information sought would be material evidence in the case. In addition, pursuant to an administrative subpoena, state welfare agencies may obtain the names and addresses of individuals as they appear in the subscriber records of cable companies with respect to those who owe, or are owed, welfare support. Such information may be obtained without a court order and does not require that a subscriber be given notice of and the opportunity to contest the disclosure.

In your Subscription Agreement, you have agreed that Advanced Cable may also disclose any information in its possession to protect its rights, property and/or operations, or where circumstances suggest that individual or public safety is in peril.

4. Time Period That We Retain Personally Identifiable Information

Advanced Cable maintains personally identifiable information about subscribers for as long as it is necessary for business purposes. This period of time lasts as long as you are a subscriber and up to fifteen additional years so that we can comply with tax and accounting requirements. When information is no longer necessary for these purposes, we destroy the information unless there is a legitimate outstanding request or order to inspect the information.

5. Access to Records

Under the Cable Act, you have the right to inspect the records of a Cable Operator that contain personally identifiable information about you and correct any errors in such information. If you wish to inspect these records, please notify Advanced Cable in writing and an appointment at our local business office will be arranged during our regular business hours.

6. Your Rights Under the Cable Act

The Cable Act provides you with a cause of action for damages, attorneys' fees and costs in Federal District Court should you believe that any of the Cable Act's limitations on the collection, disclosure, and retention of personally identifiable information have been violated by a Cable Operator. Your Subscription Agreement contains your agreement that, to the extent permitted by law, any claims that you have under the Cable Act will be decided in arbitration and attorneys' fees and punitive damages will not be available.

15. Customer Proprietary Network Information (CPNI) Policy

The information that we (ACC) have (1) relating to the quantity, technical configuration, type, destination, location, and amount of your use of telephone service, and / or (2) contained on your telephone bill concerning the telephone services that you receive is subject to additional privacy protections. That information, when matched to your name, address, and telephone number is known as "Customer Proprietary Network Information," or CPNI for short. Examples of CPNI include information typically available from details on a customer's monthly telephone bill -- the type of line, technical characteristics, class of service, current telephone charges, long distance and local service billing records, directory assistance charges, usage data, and calling patterns. (CPNI does not include your name, address, and telephone number, because that information is protected by the general privacy policy described above.) As a subscriber to our telephone services, You have the right, and Advanced Cable has a duty, under federal law to protect the confidentiality of CPNI. Advanced Cable offers many communications-related services, such as, for example, Advanced high speed Internet services. From time to time we would like to use the CPNI information we have on file to provide you with information about our communications-related products and services or special promotions. Our use of CPNI may also enhance our ability to offer products and services tailored to your specific needs. We would like your approval so that we and our agents may use this CPNI to let you know about communications-related services other than those to which you currently subscribe that we believe may be of interest to you. You do have the right to restrict this use of CPNI.

IF WE DO NOT HEAR FROM YOU WITHIN 30 DAYS OF THIS NOTIFICATION, WE WILL ASSUME THAT YOU APPROVE OUR USE OF YOUR CPNI FOR THE PURPOSES OF PROVIDING YOU

WITH INFORMATION ABOUT OTHER COMMUNICATIONS-RELATED SERVICES. YOU HAVE THE RIGHT TO DISAPPROVE OUR USE OF YOUR CPNI, AND MAY DENY OR WITHDRAW OUR RIGHT TO USE YOUR CPNI AT ANY TIME BY CALLING THE TELEPHONE NUMBER REFLECTED ON YOUR MONTHLY BILLING STATEMENT (We will also honor any restrictions applied by state law, to the extent applicable.) Advanced Cable also offers various other services that are not related to the communications services to which you subscribe. Under CPNI rules, some of those services, such as Advanced Cable video services, are considered to be non-communications related services. Occasionally, you may be asked during a telephone call with one of our representatives for your oral consent to Advanced Cable's use of your CPNI for the purpose of providing you with an offer for products or services not related to the telephone services to which you subscribe. If you provide your oral consent for Advanced Cable to do so, Advanced Cable may use your CPNI for the duration of such telephone call in order to offer you additional services. Any action that you take to deny or restrict approval to use your CPNI will not affect our provision to you, now or in the future, of any service to which you subscribe. You may disregard this notice if you previously contacted us in response to a CPNI Notification and denied use of your CPNI for the purposes described above. Any denial of approval for use of your CPNI outside of the service to which you already subscribe is valid until such time as your telephone services are discontinued or you affirmatively revoke or limit such approval or denial.

16. Consent to Phone and Email Contact

(a) I consent to ACC calling the phone numbers I supply to it for any purpose, including the marketing of its current and future Services. I agree that these phone calls may be made using any method, including an automatic dialing system or an artificial or recorded voice. Upon my request, the phone numbers I have previously provided will be removed from ACC's phone marketing list. I can make this request by calling or writing my local ACC office and asking to be placed on ACC's Do Not Call List.

(b) I acknowledge that being included in any state or federal "do not call" registry will not be sufficient to remove me from ACC's phone marketing list.

(c) I consent to ACC emailing me, at any email address, including that of a wireless or mobile device, that I provide to ACC (or that ACC issues to me in connection with the HSD Service), for any purpose, including the marketing of ACC's current and future Services. If my wireless or mobile provider charges me for receipt of such messages, I acknowledge and agree that I am responsible for paying such charges. I may revoke this authorization insofar as it relates to marketing messages at any time by calling or writing my local ACC office.

17. Arbitration

EXCEPT FOR CLAIMS FOR INJUNCTIVE RELIEF, AS DESCRIBED BELOW, ANY PAST, PRESENT, OR FUTURE CONTROVERSY OR CLAIM ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL BE RESOLVED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES, INCLUDING, IF APPLICABLE, THE SUPPLEMENTARY PROCEDURES FOR THE RESOLUTION OF CONSUMER RELATED DISPUTES. CONSOLIDATED OR CLASS ACTION ARBITRATIONS SHALL NOT BE PERMITTED. THE ARBITRATOR OF ANY DISPUTE OR CLAIM BROUGHT UNDER OR IN CONNECTION WITH THIS AGREEMENT SHALL NOT HAVE THE POWER TO AWARD INJUNCTIVE RELIEF; INJUNCTIVE RELIEF MAY BE SOUGHT SOLELY IN AN APPROPRIATE COURT OF LAW. NO CLAIM SUBJECT TO ARBITRATION UNDER THIS AGREEMENT MAY BE COMBINED WITH A CLAIM SUBJECT TO RESOLUTION BEFORE A COURT OF LAW. THE ARBITRABILITY OF DISPUTES SHALL BE DETERMINED BY THE ARBITRATOR. JUDGMENT UPON AN AWARD MAY BE ENTERED IN ANY COURT HAVING COMPETENT JURISDICTION. IF ANY PORTION OF THIS SECTION IS HELD TO BE UNENFORCEABLE, THE REMAINDER SHALL CONTINUE TO BE ENFORCEABLE, EXCEPT THAT IF THE PROHIBITION AGAINST CONSOLIDATED OR CLASS ACTION ARBITRATIONS SET FORTH ABOVE IS FOUND TO BE UNENFORCEABLE, THEN THE ENTIRETY OF THIS ARBITRATION CLAUSE SHALL BE NULL AND VOID.
